A Tile Placement Game
for 2 to 5 Players
by Andreas Pelikan &
Alexander Pfister

From Chieftain to King

NEW SCORING TILES

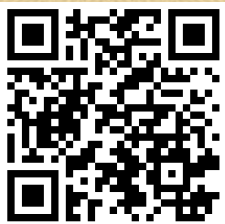

3 VPs for each **horizontal line of at least 3 contiguous landscape tiles** in the clan territory.

You receive VPs for one **of your scrolls** (the amount of VPs depends on the specific scroll). If the scroll is in a **completed area**, you receive **double** the VPs for it.

These Scoring tiles are recommended for experienced players.
The Scoring tiles can change the balance of the game severely.
