

# The Festivity Dresses

A mini expansion for the boardgame

# Rokoko

## Setup:

Put the 4 Festivity Dresses aside for the moment. After you have completed phase 1 ("Prepare for new round") **of the first round**, add the Festivity Dresses to the Dress tiles in the Cloth bag and mix them up again.

## Rules:

The Festivity Dresses are manufactured like the normal Dresses. However, they cannot be sold. After a player has spent the resources for making a Festivity Dress, he gains **immediately** and **only this once** Prestige Points (*see below*). **Afterwards**, he flips the tile and places it in a hall as usual.

Gain immediately 2 Prestige Points for each pair of 1 Women's dress and 1 Men's coat that you have on the Game board (irrespective of their colors and where on the Game board they are placed).

Gain immediately 1 Prestige Point for each of your Property markers on Decoration spaces.

Gain immediately 1 Prestige Point for each of your yellow Dresses on the Game board.

Gain immediately 1 Prestige Point for each of your green Dresses on the Game board.
