

## ZOOLORETTO – SKUNK

Expansion  
for 2 to 5 players.

May only be played  
with Zooloretto!

**Preparation:** Place the Skunk enclosure face-up in the middle of the table.

**Playing the game:** All rules of the original game apply with the following changes: The **first** player, who fills his **6-space enclosure** takes the enclosure with the Skunk as a bonus\*. He takes it from the middle of the table, placing it below his zoo board, near his barn. The Skunk enclosure remains with this player until the end of the game. The player may place no other tiles in the Skunk enclosure. If it is the owners turn he can pay 2

\*If Skunk is played with Katta, Gorilla, and/or other similar expansions, the first player may choose which enclosure to take. Other players choose from the remaining enclosures when filling their own 6-space enclosure.

coins to discard **all** tiles of one animal type from his barn as an **additional** action before or after his usual action. This is possible **only once** in the game. The player puts the coins on the Skunk enclosure and they remain there until the end of the game. In turn order all other players may then pay 1 coin to the bank to purchase 1 of the discarded tiles and add it to their zoo. The tiles that were not purchased are removed from the game.

**Scoring:** The coins on the Skunk enclosure are not considered during scoring.
