

Hawkeye: Avengers Disassembled

Hawkeye and his die originally appeared in **Marvel Dice Masters: Avengers vs. X-Men**, but this version was a participation promo from the **Avengers Disassembled** Organized Play event. You can find his dice in **Avengers vs. X-Men** boosters (available at your local retailer). Like all Dice Masters cards and dice, you can combine it with your favourites from other Dice Masters expansions!

The card's text in English:

Once per turn, during your Main Step, you may knock out a Hawkeye die you control. If you do, you may deal damage equal to his attack divided any way you choose to your opponent's characters.

Collect your favourite super heroes and let them battle. In **Marvel Dice Masters: Avengers vs. X-Men** you can collect famous heroes such as **Wolverine**, **Captain America**, **Thor** or **Spider-Man** to create your own team of cards and dice. The Starter Set gets you 44 dice and 38 cards, everything you need to start! Later you can customize your team with boosters. Face other players and find out who has the stronger team!
