Add the two 20 coins to the coin supply, which consequently contains more money now.

Christmas Market:

You will need a six-sided die (numbered 1-6) to play with the Christmas Market.

When you activate the Christmas Market, roll the six-sided die. You receive the following bonus depending on your roll:

You rolled 1: take 1 Grain.

You rolled 2: take 1 Cheese.

You rolled 3: take 1 Wine.

You rolled 4: take 1 Wool.

You rolled 5: take 1 Brocade.

Take the good from the general supply. If the supply of that good is empty, you get nothing.

You rolled 6: Move your Merchant to an adjacent town, collecting a good on the way if there is one.
