FODDER FOR THE CATTLE

FOR 2–4 PLAYERS BY ARVE D. FÜHLER

COMPONENTS

- 8 Feedbags

RULES

- On your turn, you can use one of the two dice you chose (*with any number*) to take a Feedbag. You can use the Feedbag immediately when selling one of your herds.
- You can have any number of Feedbags in your supply.
- Each time you sell a Herd (*during the game or during the final scoring*), you can discard up to 2 Feedbags. For each Feedbag you discard, you can increase the value of the most valuable Cattle Tile in the Herd by 1. So you could increase a Cattle Tile of value 12 to a value of at most 14. Remove any discarded Feedbags from the game.
